

PHILOSOPHY & PURPOSE

SensOre Ltd (**SensOre** or the **Company**) strives to conduct its business in a manner consistent with the philosophy of, and principles outlined in, the *Universal Declaration of Human Rights*. Respect for human rights is at the heart of our culture and is an essential element of sustainability and performance excellence.

SensOre recognises the dignity of all human beings and embraces the inalienable rights for all people to live their lives free from social, political, religious or ethnic discrimination or abuse. The Company has reflected this commitment in its values, code of conduct and the policies that guide the way it does business. This commitment applies to the communities in which SensOre does business, the people it does business with and the people it employs and their families.

The Company seeks to maintain a detailed knowledge of the regions where it operates and conducts business. It seeks to maintain a lasting engagement with, and to manage any impact on, these communities toward local sustainable development. SensOre recognises and supports initiatives seeking to improve the social, economic and environmental conditions related to mineral exploration, especially those associated with health & safety.

SensOre promotes human rights awareness and especially adopts a firm stance against:

- the use of child labour, slavery or trafficking;
- the exploitation of children;
- the use of children in harmful or hazardous work; and
- the physical or mental violence or abuse of children.

APPLICATION & REVIEW
