### **5. Resolution 4- Ratification of prior issue of Acquisition Shares**

#### **5.1 Background**

On 5 July 2022, the Company announced that it had entered into an agreement to acquire Intrepid Geophysics (**Acquisition Agreement**), a leading provider of geophysics software and services headquartered in Melbourne, Australia with distributors and resellers globally.

Consideration under the Acquisition Agreement includes:

- \$3 million in SensOre stock at an issue price of \$0.70 ( 4,285,715 fully paid SensOre shares or 6.2% of SensOre on a fully diluted basis to be issued at completion of the transaction (**Acquisition Shares**); and
- a safeguards provision such that should the SensOre share price trade below the issue price for 12 months following the transaction a proportional adjustment of shares will be made up to a maximum of 4.3 million; and
- \$1 million in cash to the Vendor for a 100% ownership interest in Intrepid Geophysics (including ownership of Intrepid Geophysics' extensive intellectual property and data repository) funded from existing cash balances; and
- a further \$1 million contingent cash payment to the Vendor on the one-year anniversary of the agreement subject to satisfactory completion of performance hurdles in relation to revenue generation and key personnel retention expected to be funded from cash balances, operating cash flows or capital raising in the next 12 months depending on the level of exploration activity and the revenue performance of SensOre during the 2023 financial year.

On 22 July 2022, the Company announced that conditions precedent had been satisfied and issued 4,285,715 fully paid SensOre shares to the Vendor within the 15% annual limit permitted under Listing Rule 7.1, without need for Shareholder approval.

Resolution 4, an ordinary resolution, seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Acquisition Shares.

#### **5.2 Listing Rules 7.1 and 7.4**

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1 and 7.1A. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 and 7.1A (and provided that the previous issue did not breach Listing Rule 7.1 and 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1 and 7.1A.

If Resolution 4, is passed, the Acquisition Shares will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the date of issue of the Acquisition Shares (being 22 July 2023).

If Resolution 4 is not passed, the Acquisition Shares will be included in calculating the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Acquisition Shares (being 22 July 2023).

#### **5.3 Specific information required under Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the prior issue of the Acquisition Shares:

- a) A total of 4,285,715 were issued on 22 July 2022;

- b) The Acquisition Shares were issued for nil cash consideration, as consideration for the acquisition of Intrepid Geophysics under the Acquisition Agreement;
- c) The Acquisition Shares issued were fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue;
- d) The Acquisition Shares were issued to the Vendor, a non-related party of the Company;
- e) No funds were raised from the issue of the Acquisition Shares as the shares were issued as consideration for the acquisition of Intrepid Geophysics under the Acquisition Agreement;
- f) The Acquisition Shares were issued under the Acquisition Agreement, the material terms of which are set out as follows:
  - i. SensOre acquired 100% of the share capital of Desmond Fitzgerald and Associates Pty Ltd (trading as Intrepid Geophysics) (ABN 69 006 991 180) (DFA), Geophysical Processing and Interpretation Services Namibia Close Corporation (Registration number CC/2008/3518) (GPIS Namibia), and Louides Enterprises Pty. Ltd. trading as GeoIntrepid (ABN 51 065 352 409) (Louides) (together the Intrepid Parties).
  - ii. Consideration for the transaction included:
    - a. \$3 million in SensOre stock at an issue price of \$0.70 (4.3 million fully paid SensOre shares or 6.2% of SensOre on a fully diluted basis) to be issued at the completion of the transaction (which occurred on 9 August 2022); and
    - b. a safeguards provision such that should the SensOre share price trade below the issue price for 12 months following the transaction a proportional adjustment of shares will be made up to a maximum of 4.3 million; and
    - c. \$1 million in cash for a 100% ownership interest in Intrepid Geophysics (including ownership of Intrepid Geophysics' extensive intellectual property and data repository) to be funded from existing cash balances (which occurred on 9 August 2022); and
    - d. a further \$1 million contingent cash payment on the one-year anniversary of the agreement subject to the satisfactory completion of performance hurdles in relation to revenue generation and key personnel retention expected to be funded from cash balances, operating cash flows or capital raising in the next 12 months depending on the exploration activities and the revenue performance of SensOre during the 2023 financial year.
  - iii. The Founder of Intrepid Parties has entered into a two-year consulting agreement with SensOre to remain with Intrepid to assist with the transition and integration of the two businesses.

#### **5.4 Board recommendation**

The Directors unanimously recommend that you vote in favour of Resolution 4. All of the Directors are entitled to vote on Resolution 4 and intend to vote in favour of the Resolution.

### **6. Resolution 5 – Approval of 10% placement capacity**

#### **6.1 General**

Broadly, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$33.84M (based on the number of Shares on issue and the closing price of Shares on the ASX on 23 August 2022).

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 5 is a special resolution.

## **6.2 Technical information required by Listing Rule 7.1A**

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

### **a) Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### **b) Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section [5.2(b)(i)], the date on which the Equity Securities are issued.

### **c) Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) development of the Company's current business;
- (ii) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition); and
- (iii) general working capital.

### **d) Risk of economic and voting dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 23 August 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

The purpose of the proposed Executive Director Performance Rights is to provide each of Mr Taylor and Mr Rowe with an appropriate incentive which is 'at risk' and aligned to the Company's long-term strategic plans and business objectives aimed at increased Shareholder return. The Executive Director Performance Rights will vest and become exercisable into Shares upon the satisfaction of the vesting conditions set out below:

Over the three-year performance period (being 11 February 2022 to 10 February 2025), the Board approved performance conditions for vesting attaching to the Performance Rights are comprised as follows:

- continuous employment;
- satisfactory performance; and
- absolute total shareholder return (**Absolute TSR**)

One hundred percent of the Performance Rights will be subject to an **Absolute TSR** hurdle over the three-year performance period and will be tested at the end of this period. Absolute TSR Performance Rights will vest according to the following schedule:

| Measure      | Performance level to be achieved | Performance vesting outcome    | % of total grant that will vest | Maximum % of total grant |
|--------------|----------------------------------|--------------------------------|---------------------------------|--------------------------|
| Absolute TSR | Above 25% CAGR                   | 100%                           | 100%                            | 100%                     |
|              | Above 15% CAGR & up to 25% CAGR  | Pro rata vesting from 51%-100% | Between 51% & 100%              | 50%                      |
|              | At 15% CAGR                      | 50%                            | 50%                             | 50%                      |
|              | Less than 15% CAGR               | 0%                             | 0%                              | 0%                       |

\*CAGR = Compound Annual Growth Rate

Notes:

1. For the purposes of calculating the CAGR over the duration of the performance period, the Board has determined that the price of SensOre shares will be calculated based on the initial public offering (IPO) offer price of \$0.85.
2. Vesting to occur on a proportionate straight-line basis from 50% to 100% for performance between 15% and 25% CAGR.

To the extent the vesting conditions are not satisfied on the vesting date, then the unvested Shares are forfeited. Vesting outcomes are subject to Board discretion.

No exercise price is payable in respect of the exercise of any Executive Director Performance Rights which have vested.

The expiry date of the proposed performance rights is 10 February 2027. The Executive Director Performance Rights cannot be dealt with and are not transferable otherwise than in accordance with Rule 6 of the Long Term Incentive Plan.

#### 7.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless giving of the benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Executive Director Performance Rights to Richard Taylor (or his nominee) and Robert Rowe (or his nominee) constitutes giving a financial benefit and both Mr Taylor and Mr Rowe are related parties of the Company by virtue of being Directors.

The Non-executive Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Executive Director Performance Rights, because the agreement to issue the Executive Director Performance Rights to each Director reached as part of the remuneration package of the Executive Directors, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

### 7.3 Listing rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- a director of the entity (Listing Rule 10.14.1);
- an associate of a director of the entity (Listing Rule 10.14.2); or
- a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders (Listing Rule 10.14.3).

The issue of Executive Director Performance Rights to Richard Taylor (or his nominee) and Robert Rowe (or his nominee) falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14. Resolution 6 and Resolution 7 seek the required Shareholder approval for the issue of the Executive Director Performance Rights under and for the purposes of Listing Rule 10.14.

### 7.4 Technical information required by Listing Rule 14.1A

The Company will be able to proceed with the issue of the Executive Director Performance Rights to:

- Richard Taylor, if Resolution 6 is passed and
- Robert Rowe, if Resolution 7 is passed,

under the Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Executive Director Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Executive Director Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of the Executive Director Performance Rights to Richard Taylor under the Plan and may have to consider alternative forms of remuneration.

If Resolution 7 is not passed, the Company will not be able to proceed with the issue of the Executive Director Performance Rights to Robert Rowe under the Plan and may have to consider alternative forms of remuneration.

### 7.5 Technical information required by Listing Rule 10.15

Pursuant to and in accordance with the requirements of Listing Rule 10.15, the following information is provided in relation to Resolution 6 and 7:

The remuneration of Mr Richard Taylor and Mr Robert Rowe during the period ended 30 June 2022 was as follows:

- The Company values the 257,648 Performance Rights at \$37,874  
The Company values the 200,965 Performance Rights at \$29,542

- j) Details of any Performance Rights issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and

## How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

### APPOINTMENT OF PROXY

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

## SIGNING INSTRUCTIONS FOR POSTAL FORMS

**Individual:** Where the holding is in one name, the securityholder must sign.

**Joint Holding:** Where the holding is in more than one name, all of the securityholders should sign.
